Sri Madan Chandra Deka, IAS, Chairman, ALMIS welcomed the members of the Committee and read out the agenda for discussion of the Bid document for procurement of Desktop computer and 1 KVA UPS.

The Committee after going through the specification of the bid document No. GeM/2019/B/265467 floated in the GeM Portal on 21-06-2019 observed that there is change in the specification with that of the specification approved by the Technical Bid Committee on 19th June, 2019. The deviation may be due to clerical mistake during the uploading of the specification in GeM portal.

Further, the Committee perused the application/petitions received from the Firms viz. M/s BMG Informatics Private Limited, M/s DELL and M/s BPE Limited. The Committee observed that the specification fixed earlier are as per requirement and there is no point to change the specification. The petitions so received are thus disposed.

The Committee after threadbare discussion suggested to cancel the said bid document No. GeM/2019/B/265467 and decided to upload fresh bid with the changes in specification as detailed below :

1. Desktop -- Wireless connectivity - Yes
2. UPS (! KVA) -- 168 VA
